Mozilla Firefox Clear Browsing History

Click on **TOOLS** on the menu bar, then click on **OPTIONS**, see **fig 1.1** below:

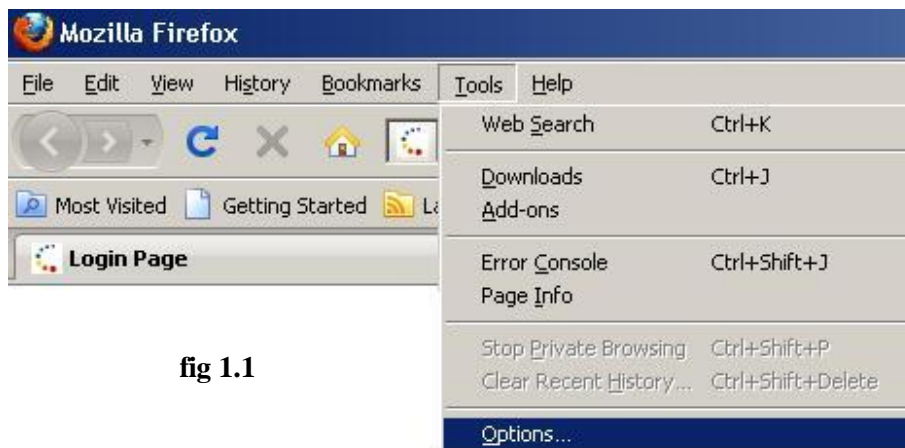

fig 1.1

You will then see the Firefox **Options** dialogue box.

The next step is to click on the **PRIVACY** icon,
Examples are shown to the right:

You will then be presented with the Firefox Privacy settings. The following steps will differ to clear the cash.
To clear the history in version 3.5.2 is very straightforward.

fig 1.2S

....

Then change your status to **never remember history**
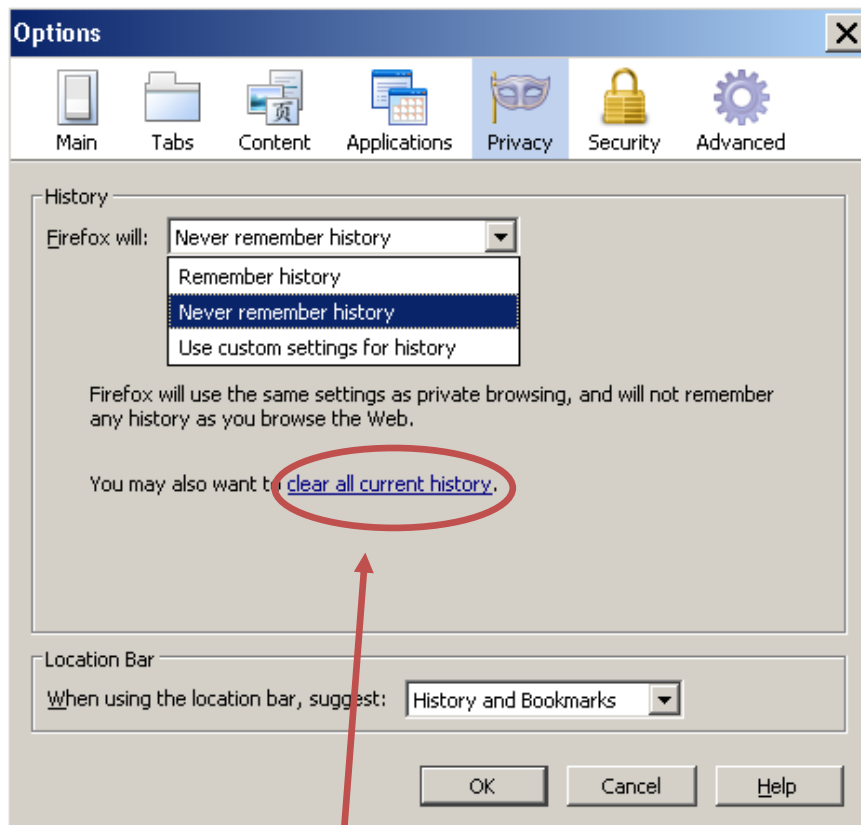

fig 1.3

Then click <mark>**clear all current history**</mark> link.

....

The pull down box allows you to choose the time range to clear, with the options of last hour, last two hours, last four hours, today and everything.

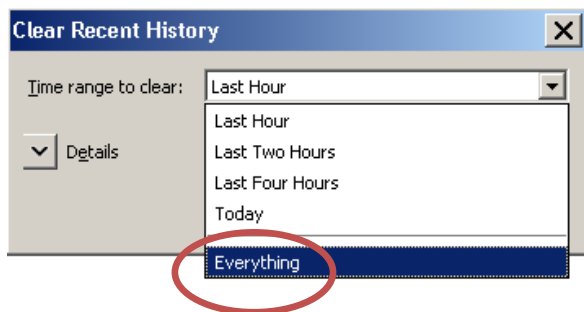

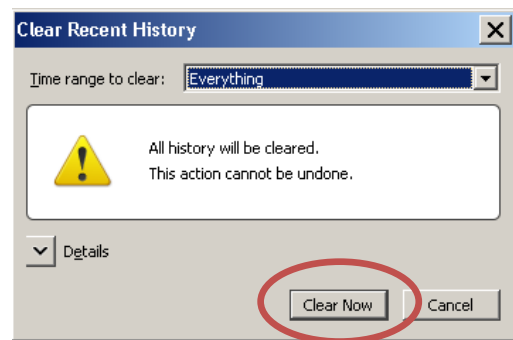

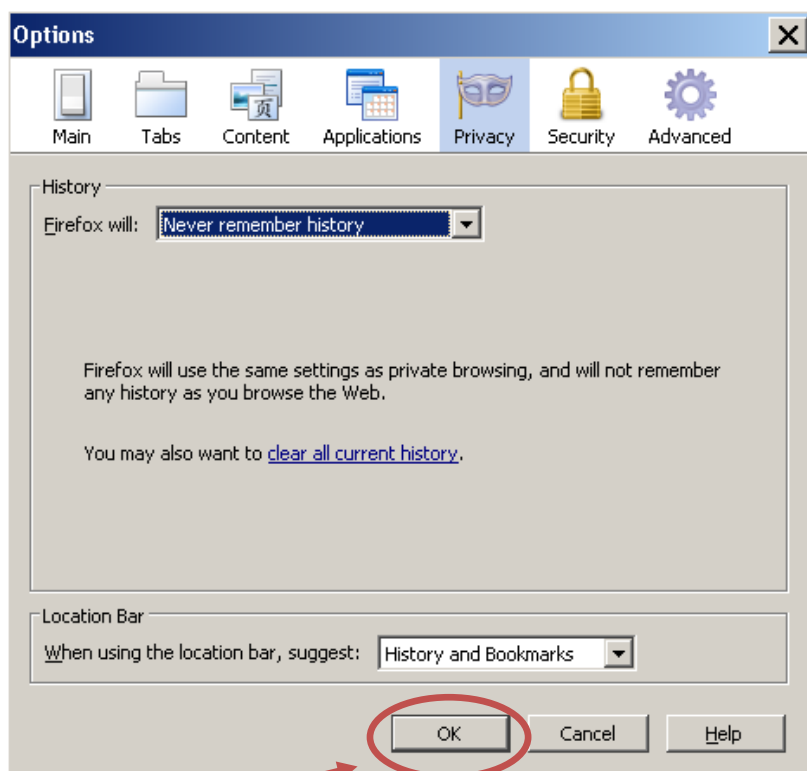

fig 1.5

fig 1.6

By clicking on the arrow next to **details** you can select which part of your history is cleared.

In your case, you have to select **Everything**

After selecting your required options click on the **clear now** button like **fig 1.6**

Then click **OK** button
